A new bus network for Newcastle

The updated bus network for the Newcastle area will be introduced from:

Sunday 30 November 2008

In November 2007 Newcastle Buses invited the community to comment on a proposal to improve bus services by removing diversions from routes and providing consistent, regular services that are more reliable.

We appreciate the time the local community took to be involved in the comment process.

The new bus network will introduce four new routes:
106 – Newcastle Station to Jesmond
313 – Charlestown to Belmont
318 – Belmont loop servicing Belmont, Spinnaker Ridge and Green Point
320 – Newcastle Station to Warners Bay.

You told us that you wanted	Our Response
Routes 224 and 225 through Hamilton South to remain unchanged.	✓
Route 226 between Broadmeadow and the University to remain unchanged.	✓
Route 310 between Merewether and Charlestown to remain unchanged.	✓
Route 317 through western New Lambton to remain unchanged.	✓
Route 322 to Kotara and Ocean Street, Dudley to remain unchanged.	✓
Route 350 via Broadmeadow to remain unchanged.	✓
Route 363 from Newcastle to Warners Bay to remain unchanged.	✓
Services retained to the Mater Hospital and other hospitals.	✓
A bus service along Honeysuckle Drive, Newcastle West.	✓
You also told us that you approved of the investment in new buses.	✓

Selected School Special services will also be altered to better cater for students in the new network. Local school communities will be notified of these changes.

We will closely monitor the new network to respond to passenger demand.

Fares & Tickets

Newcastle Buses & Ferries offer a range of ticket types to suit just about every type of trip you would like to make. Concession fares are available for most ticket types.

Time-based tickets. All bus ticket types used on Newcastle Buses are for unlimited rides within the time period paid for, i.e. one hour, four hour or 23 hours (all day). Should your ticket expire while you're on the bus, the ticket remains valid until you alight the bus at your destination.

Multi-ride tickets. If you travel often or regularly, these tickets can save you time and money.

- **TimeTen x 1 Hour ticket** contains 10 individual one-hour tickets and remains valid until all the 10 hourly units are used. You simply insert the ticket on the green machine on the bus. The validator will register your trip and allow unlimited travel for one hour.
- **All Day ticket** is a 23-hour ticket valid on bus and ferry services. It allows you to travel all day without the worry of knowing when your ticket time limit will expire. This is the ideal ticket for visitors going on a day of sightseeing in Newcastle.
- **TravelPass** is a combined ticket which permits unlimited travel on Newcastle Buses & Ferries and CityRail trains depending on the modes, areas and time period paid for. Orange, Yellow and Pink TravelPasses are available on a weekly, quarterly or yearly basis.

Ferry Only tickets are also available for single rides on the Stockton Ferry between Newcastle and Stockton.

Pensioner Excursion Tickets allow unlimited all day travel on Newcastle Buses & Ferries, Sydney Buses, Sydney Ferries, CityRail and participating private buses around Newcastle, Sydney and outer metropolitan areas. Please phone 131500 for information on participating private buses.
